Educator****Position Overview**

As part of MSU Extension (MSUE) and the Greening Michigan Institute (GMI), this position provides local and regional leadership and educational programming expertise while contributing to statewide initiatives in alignment with tourism and community development programming in the greater Baraga County region. This position specifically focuses on conducting outreach activities and educational programs focused on community tourism development and strengthening local economies. This position represents a 75% tourism and 25% community development (strengthening of local networks and delivery of other GMI community development-related programming) assignment. This is a new position that will have the opportunity for the selected candidate to create and explore new educational and outreach efforts in tourism, facilitation, planning, and community development.

Qualifications**Minimum Qualifications** (see full description for complete list of requirements)

- Bachelor's degree (Master's preferred) from an accredited institution in a field of study related to tourism, community development, business, forestry/natural resources, or related field. Candidates with a Bachelor's degree will complete a Master's degree within a specified timeframe, as discussed with hiring manager prior to employment;

Desired Qualifications

- 3-years' experience in Extension program delivery or demonstrated ability and skill in educational program planning, implementation and evaluation (relevant experience acquired within the last 5-years preferred).

Application Process
