Contact for QuestionsMsue.hr@msu.edu**Southeast MI Educator, Innovation Counselor****Position Overview**

As part of MSU Extension and the Community, Food & Environment Institute, this position provides local and regional leadership and educational programming expertise while contributing to statewide initiatives in alignment with the MSU Product Center. This position focuses on conducting outreach activities and educational programs to market business development services and provide assistance to businesses in the agriculture/food sectors to advance value-added products/services. This position may collaborate across work groups, Institutes and communities and work with faculty, specialists and educators for advancement of the needs of the Institute clientele; conduct outreach to market services and recruit clients; designs, implements and evaluates programming based on basic and applied research and the needs of clientele groups; ensures dissemination of research-based information through various methods, including one-on one counseling for Product Center clients, multi-media, personal education and written articles; participate in the planning and implementation of statewide and Product Center events like Making It In Michigan Conference and Trade Show, and Small Cooperative Conference; and serves as an informational resource for Extension personnel and clientele.

Qualifications**Minimum Qualifications**

- Master's degree from an accredited institution in a field of study related to business, economics, forestry/natural resources, food marketing or related field must be earned by date of hire.

Desired Qualifications

- 3-years' experience in Extension program delivery or demonstrated ability and skill in educational program planning, implementation and evaluation.

Application Process

To view the full position description and required qualifications, please visit the applicable Michigan State University careers page (internal candidate or external candidate) as noted under the To Apply section. **Search for posting number 519649 using the Job Search field.**

Applicants are asked to provide a current resume, cover letter and four (4) professional references including email addresses.

This position is a full-time, fixed term end dated appointment.

This posting will remain open until April 4, 2019.
