Please apply at [Job ID: 49401](#)

Job Description

MU TITLE: Assistant/Associate/Full Extension Professional

LOCATION: Houston, Missouri, primarily serves Texas County and Maries, Phelps, Pulaski, Dent, Douglas, Ozark, and Howell counties in the Southwest and East Central Regions, with additional service across the state as needed.

Specialist Emphasis

The Human Development and Family Sciences Specialist is responsible for planning, implementing, and evaluating educational programs in parenting, family strengthening, mental health awareness, adolescence, aging, and/or early childhood care and education.

This position is responsible for planning, implementing, and evaluating educational programs and services in Nutrition, Home & Family. The Health & Human Sciences Extension program promotes optimal well-being of individuals, families, and communities, with special recognition for the needs of vulnerable populations.

This position is a 12-month, ranked, non-tenure track appointment at the rank of assistant, associate, or full Extension Professional. Rank will be determined at the time of appointment based on qualifications and experience in accordance with the MU Extension faculty standards. This position will hold a working title of Field Specialist in Human Development.

As a Field Specialist, your workload distribution at appointment will be 90% Extension Teaching and 10% Traditional Service.

This appointment is renewable annually at the discretion of the University and workload distribution may change at the discretion of Extension leadership. Circumstances affecting continued employment include, but are not limited to, work performance, fund availability, and educational priorities.

CORE DUTIES OF MU EXTENSION SPECIALISTS

MU Extension Specialists deliver the University of Missouri to all Missourians. They serve all Missourians by bringing research-based solutions to work on local problems. MU Extension Specialists teach new and foundational concepts, link people to resources, support partner organizations, participate in research, train volunteers, evaluate programs, foster innovation, and serve communities. MU Extension Specialists work as a team to expand educational attainment, foster economic development, and improve health outcomes. These core duties fall into three major areas:

Educate, Create, and Connect.

- *Educate.* MU Extension specialists design, conduct, and evaluate educational programs. MU Extension specialists teach research-based information via meetings, in-person and online courses, continuing education classes, technical assistance, volunteer training, media, websites, consultation, and other educational methods. They provide inclusive educational programs that support the individual, organizational, and community goals of Missouri's diverse learners and clients.
- *Create.* MU Extension specialists develop innovative and research-informed educational products, services, materials, and other scholarly works. These include curricula, publications, presentations, educational tools, websites, and similar resources. MU Extension specialists obtain and use extramural funding to support creative works. MU Extension specialists contribute to the scholarship of Extension and Engagement by evaluating programs that result in learning and behavior changes that impact individuals and communities.
- *Connect.* MU Extension specialists engage with learners, stakeholders, volunteers, and communities, including county extension councils, government officials and agencies, partners, and University and professional organizations. MU Extension specialists listen and respond with care. MU Extension specialists intentionally foster diversity, equity, and inclusiveness via engaged partnerships and robust connections to the wide array of programs offered by the whole University of Missouri System.

Professional Expectations

- Engage with stakeholders in all coverage counties to identify educational needs and then collaborate with appropriate internal and external partners to meet programming needs, incorporating timely marketing strategies.
- Create an annual plan-of-work that reflects local needs and aligns with statewide program area efforts. Provide a monthly report for assigned county extension councils, supervisors, county commissioners and others, regarding programmatic efforts. Attend at least one county extension council meeting each month and provide a program review with feedback and analysis for the respective coverage area.
- Collaborate with campus-based specialists on research projects and then deliver findings from those efforts via demonstrations, field days, courses, workshops, consultations, publications, and appropriate media.
- Effectively work with supervisors, other specialists, and local leaders to complete administrative tasks as needed.
- Demonstrate competency in communication, educational programming, subject matter knowledge, inclusivity, equity, educational delivery, volunteer management, grant acquisition, teamwork, interpersonal relations, organization knowledge, leadership, and professionalism.
- Offer timely, research-based information during times of natural disasters or similar events.
- Represent the University of Missouri on boards and committees as assigned.
- Participate in professional development events to improve both technical and leadership skills.
- Conduct all activities per the Civil Rights Acts, Title IX, Rehabilitation, Americans with Disabilities Act, and local, state, and regional affirmative action plans.

- Other duties and responsibilities as assigned to support the mission of MU Extension.

Additional Expectations

- MU Extension Specialists travel regularly throughout Missouri and occasionally to out-of-state locations. MU Extension requires specialists to have a valid Missouri driver's license, a legally operating vehicle, and wireless telephone/data service for University use. MU Extension specialists receive reimbursement for approved travel expenses, per University of Missouri policy.
- MU Extension programs often occur outside of normal business hours. MU Extension Specialists should expect to attend these events as needed, to meet the needs of learners, clients, and stakeholders.

MU EXTENSION LEADERSHIP RECEIVED

The Senior Program Director for Health & Human Sciences Extension provides overall programmatic leadership. Programmatic supervision comes from the Education Director for the Health & Human Sciences Extension program and administrative oversight from the Regional Director.
