

Q1. Professional Development Narratives – North Central Region
Subject Area #1: Extension Teaching Methods and Learning Theories

This form collects brief descriptive information about training and professional development offerings. Your responses will become a general inventory of training programs in the North Central Region. This form specifically asks you to describe training on “**Extension Teaching Methods and Learning Theories**” that helps Extension educators match their teaching methods with how their audiences learn and use information that ultimately influences their lives. This is not training that addresses specific program development/planning tools like needs assessments, logic modeling, evaluation techniques, and other specific delivery methods (those will be addressed in another round of questions). The questions that follow should only take about 10-15 minutes to complete.
