

Q1. Professional Development Narratives – North Central Region

Subject Area #5: Communication & Interpersonal Skills

This topic includes any training relating to interpersonal communication, emotional intelligence, and writing. This includes but is not limited to topics related to communication during conflict, difficult conversations, communicating across differences, active listening and adapting to various communication styles. Writing topics could include writing basics such as the writing process, style, audience, organization, and mechanics for various genres of writing. This is inclusive of both nonacademic writing and communicating science to the public and academic writing, research and academic honesty. (Note: This is a broad topic that overlaps with other areas; when in doubt, please just add the training.)
